Memo

Meeting date: February 10, 2022
To: Zoning Board of Adjustments
From: Nick Reyna, Building Official
Subject: Request for front yard carport
Location: 1025 Stadium Ave., Big Spring, Texas

Today, both addresses listed above are requesting for you to grant them permits for front yard carports. Based on our ordinances as follows:

Section 4-6. Area Regulations for Accessory Buildings and Structures in Residential Districts.

(e) *Special Carport Exception.* Carport construction may be permitted in the front yard portion of a lot outside of the required front yard setback if an application for such construction is made to the Zoning Board of Adjustment. The Board will consider applications for front yard carports provided the following conditions are met:

- (1) There is no other reasonable access to the property;

(2) The hardship requiring the front yard carport is not self-imposed.

(3) A disclaimer shall be added to the carport application informing the property owner of possible deed restrictions prohibiting said addition; however, the City is shall not be responsible for researching whether any such deed restriction exists nor for the enforcement thereof.

Such application for exception shall include a detailed site plan indicating the proposed carport location and specifying the distance that the structure may be located outside of the required front yard setback. Maximum opening height for a carport exception shall not exceed eleven and one-half (11.5) feet. The GR and SF-3 Districts shall be exempt from the front yard carport exception and carport construction shall be a permitted use except that no carport shall be located closer to the front property line than ten (10) feet; side yard setback shall be three (3) feet and shall be required on each property to ensure a minimum separation of carport structures. Side-yard setback in the A, SF-1, SF-2, and 2F Districts shall be a minimum of five (5) feet.

Staff Recommendation:

Truly,

Nick Reyna, Building Official

Please complete the following information, if applicable:

Building Material	<input type="checkbox"/> Wood <input checked="" type="checkbox"/> Metal <input type="checkbox"/> Other:
Foundation Type & Details	<input checked="" type="checkbox"/> Concrete <input type="checkbox"/> Treated Posts <input type="checkbox"/> Other:
Anchorage Method	<input type="checkbox"/> Brackets <input checked="" type="checkbox"/> Anchor bolts <input type="checkbox"/> Straps <input type="checkbox"/> Cast-in-place <input type="checkbox"/> Other:
Anchor Spacing	24"
Footing Depth, Width, Reinforcement*	4" slab
Wall height (ft, in)	8'
Stud Spacing on Wall Framing	<input type="checkbox"/> 16" on center <input checked="" type="checkbox"/> 24" on center <input type="checkbox"/> Other:
Roof material, pitch, & joist size**	sheet metal
Roof rafter size, & rafter spacing	24"

Roof pitch example: A roof that rises 6 inches for every 12 inches of horizontal run has a 6-in-12 pitch.
 *Footings are usually made with concrete with rebar reinforcement that has been poured into an excavated trench.
 ** For roofs, hurricane brackets are required.

ADDITIONAL APPLICATION INFORMATION (Attach additional sheets if necessary)

Placed over existing concrete drive way.

- APPLICATION SUBMITAL REQUIREMENTS
1. A completed application form.
 2. Construction checklist and related requirements, if applicable. Checklists are available for new Commercial Construction.
 3. An asbestos survey is required for Commercial additions, renovations, and demolitions.
 4. An elevation certificate is required if the property is in the floodplain.
- *Additional information may be requested.

OTHER PERMIT CONDITIONS

A permit is null and void if work or construction authorized is not commenced within 180 day, or period of 180 days at any time after work is commenced.

Reinspect fees will be applied for all reinspections and must be paid before the building final is issued.

A structure shall not be occupied until all final inspections have been approved and a Certificate of Occupancy is issued.

The Building Inspection Department is not responsible to ensure that your structure is in compliance with all applicable codes. It is your responsibility to ensure that your property complies with all applicable codes.

Goes to ZBA Front Yard Component
